

# T-120 Gen2

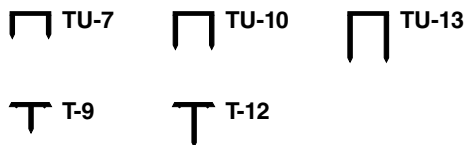

## PNEUMATIC STAPLER

FOR COMPOSITE STAPLES AND T-NAILS

### Titac T-120 Gen2 is our premium air stapler for industrial use

With its robust construction, high quality components and smooth operation, the T-120 Gen 2 is made to last and perform even in the most demanding conditions.

### Accepts all of our current composite TU-staples and T-nails

### Features

- Diffused rear exhaust keeps noise levels down and doesn't stir up dust.
- Low weight and minimal recoil makes it an ergonomic tool that can be used for hours on end.
- Low maintenance required: a couple of drops of oil every day or ten drops every week.

Bottom loaded

### Technical data

Weight 1.1 kg (2.4 lb)

Dimensions 226 x 150 x 44 mm  
(8.9" x 5.9" x 1.7")

Staple leg length 7–16 mm (1/4"–1/2")  
Capacity 75 staples (T-12: 65 T-nails)

Rec. pressure 5 — 6 bar (72—87 psi)  
Max pressure 7 bar (100 psi)

Air consumption 0.2 litre (0.007 cf) per driving operation at 6 bar operating pressure

Vibration level Vibration below the limit of declaration according to EN 792-13 measured according to ISO 8662-11

Removable cover plate for easy access to the staple chute
